Translation of the Memorial of Mattu Pillai Muniah of Periyapalayam to H.E. the Governor Agent -

1. The lands attached to the medam of Abdulla Rra in the village of Kirangur Periyapalayam PK have been mortgaged by the holder thereof to the petr. through a registered instrument in 1875 for Rs 1500 to the Petr., who was also let into the possession.

2. Bommé Sowda & others villagers of Kirangur set up in 1889 the above said Packa Rra to contest the lands on the score of their being attached to the Kovil.

3. The French Rocks Sub: Div: Officer ordered on 30.8.91 that the above lands belonged to the Kovil, that there was no right to mortgage the lands to the Petr. & that he, Petr. should give up their possession.

4. That on the petr's appeal to the Diwan on the above order, the Diwan ordered, after a perusal of the records, on 15.2.92. that the mortgage to the petr. ~~had~~ was valid, that the diwan Packa Rra may if he likes redeem the property & recover its possession after payment to the petr. the mortgage amount within 6 months, that on default the land would be appraised & the assessment be recovered from the petr. for the use of the Kovil & that the petr. shd. not be deprived of the possession of the lands till he was paid his mortgage amount.

5. As soon as the Sub: Div: Officer passed the order depriving the petr. of his possession of the lands the pet. Packa Rra executed in the petr's favor that the produce shd. not be given to the petr. & the Govt. also not-

3 loss, the petr's recd endorsement No 1369 Dy 3.8.95 stating that the Dy Commr's order was correct. This decision was arrived at by the Govt without giving a notice to the petrs & without referring to the documents wh the petrs intended to ~~xxx~~ show.

4 That on the petrs next applying to the Govt for a review of the above order after ~~notice to~~ the petrs notice when the record of the case was ready before the Commissioners, the petrs received endorsement Dy 3.2.96 that a review could not be granted.

10 What I now submit is as follows:-

(a) As the Dewan has passed an order upholding the mortgage to me, I ~~am~~ was entitled to the possession of the land & to the receipt of its produce till the Respondent tendered the mortgage amount i.e. till 15th June 1893 (being the date of tender).

(b) While so, the Sub: Div: Officer had no business to oust the petrs out of the land till he was paid not only the mortgage amount but also 3½ years produce or its equivalent in money by the respondent or the by the Govt

(c) The petrs had possession of the land from (18)95 & was enjoying it ever since by letting it out for 45 Kalams of paddy per year & at this rate the petrs shd get 157½ Kalams of paddy for 3½ years. This amounts to Rs 1653-12-0 at 10½ Rs a K &

The Petr in justice ought to have been paid this amount before he was ousted from his possession.

The Dy Commr of the Dt on ordered that only 50 Kandies of paddy @ Rs 130-10-9 in cash are due to the Petr. Even these the Petr has not received.

(d) The Dy Commr has stated in his order that no evidence has been given that 45 Kandies of paddy are due to the Petr per year.

But the following documents will show the records of the case would have proved so to him (Dy Commr) if he had referred -

(i) The Rakhwan of 30.9.88 executed to Pachamaal by the Villagers of Kirangur Baboorayana Koppal + Chik Kirangur clearly shows that (the land) could be leased for 56 Kandies of paddy per year.

(ii) While the division of the produce of the year Vikruti was made by the Govt it was stated in the partition deed (Exh) that 40 Kandies of the produce are due to the Petr. This quantity was deposited with the Palel headsowda from whom a Kumbalika was taken to the above effect.

(iii) Dodda Rangappa of Kirangur had applied to the Sub: Div + the HC authorities for a lease of the land for a yearly rental of 40 Kandies.

Dy Commr

only then took the produce of the year Kikuli, but also completely deprived the respt of the inspection of the lands from the year Khara & thereforward the Amildar on the orders of the Sub: Div: Offr got the lands cultivated & thus prevented the petrs from reaping the produce. 6. In pursuance of the Devan, Pachaiyan (mortgagee) deposited Rs 1501 on 15.6.93. By this time the petrs ought to have got the whole produce of the years Kikuli, Khara & Nandana & the half of the produce of the year Vijaya - the petrs would have enjoyed the produce of these years without any difficulty if he had not been deprived of his inspection by the Sirkar before the decision of the Devan.

7. That on the complaint of the petrs regarding the above, the Dy Commr, Negore, the Dy Comr without going into the records of the case passed an order summarily on 26.4.94 that the petrs shd get Rs 130-10-9 for the year Kikuli & 25 Kandies of paddy for the year Khara. That the petrs shd get the produce of the year Khara from the Sirkar. That the petrs shd get the produce of the year Nandana from the tenant of the land Somasundaram. And that there was no reason why the petrs shd get the produce of 6 months of the year Vijaya -

8. That on the petrs appealing to the Govt on the ground that the produce adjudicated to the petrs was too small & he thereby suffered much

5) has not gone through the records of the case; for if he had done so he would have adjudged 140 Kandies per year at least to the petr.

(c) The petr prays that Her Highness after going through the records of the case will order that the petr should receive, at least at the rate of 40 Kandies per year, 140 Kandies for 3½ years or its value at the average rate of 10½ Rs per Kandy & that the petr should be restored to the enjoyment of the land till the petr is given the above quantity of paddy & that if the Mahavidan Abdulla Khan should be unwilling to give the produce to the petr as directed above, the order of the Diwan No. 14 of 15.12.92 should be brought into force by appraising the land after making it over to the petr, deducting the land assessment for the use of the Mahavidan.

If the date of the hearing is not known to the petr, he will present himself before the Court daily to represent any matters & to show certain documents that may be necessary.

The appellant above named most humbly begs to appeal to this Honourable Court against the order passed by the Deputy Commissioner of Mysore dated 22nd day of April 1896, for the following reasons namely:—

That the Deputy Commissioner is wrong in disallowing said gross receipts for 1893.

That the Deputy Commissioner is wrong in allowing only 50 candies of Bhatta and 1/4 maund of seeds with Rs 150-0-0 for 3 years Kharchi, Kiraya and Mandaya.

That the appellant is clearly entitled at the rate of 4 candies of paddy and 50 lbs of seed and also to Rs 4/888 for three years Kharchi, Kiraya and Mandaya.

That it is very clear from the Maharaja's Order passed in the case and in the Judgement of the Srirangapatam Munsiff's Court that the appellant

Deputy Commissioner,

To

The Chief Secretary to the Government of Mysore.

SIR.

With reference to your O.M. No. P.A. F 129-92 dated 9th February 1895, calling for a report on the appeal petition of Bhattada Malige Anniah of Seringapatam, I have the honor to state, that the Inam lands attached to Kirungur Makkan in Seringapatam Taluk, was mortgaged to Anniah, for Rs. 1500, by Pachamiah in 1875. During the Inam settlement in 1879, Appellant Anniah, was called upon to give up the land, as it was treated as Devadayam, and the Inam Commissioner ordered that the Makkandar, should be put in possession of the land. Anniaya, refused to make over the land, and on reference to Government, on the subject, it was ordered in Government Decision dated 15th December, for not-that the Inam be resumed, and fully assessed that year and a money grant equal to the assessment year Commences

June + asked him to take a copy.

to Makkandar for services at the Makkan, and that if the Makkandar was able to redeem the mortgage he may do so within 6 months

2. On the 15th June 1893, Muradbee the mother, and guardian of the present Makkandar Abdulla Shah, petitioned the Deputy Commissioner, that the land may be assessed, as directed in Government decision and the Khalé made out in the name of her minor son, and produced Rs 1500 to be paid to Annaiah, the mortgagee which is held in deposit.

3. A notice was served on Annaiah, to appear before the Deputy Commissioner, on the 27th June 1893 and receive payment of the mortgage money, and make over the Inam lands to Makkandar. Annaiah did not take the money, but demanded the principal with 3½ years' produce at 45 Kandies of paddy and 60 bundles of straw a year, at which rate he said he had leased the land to a ryot but produced no evidence in support of this claim.

4. Though the Government did not pass any decision as to appellant's right to receive mesne profits, I held that he was entitled to the same as Government had confirmed his possession accordingly called upon the Amildar, to the produce realized during the

on 3rd June & asked him to take a copy
thereof. The officials of the Deputy
Commissioner's office, after delaying
for two months, informed the petitioner
on 30-7-94 that the records were sent
to the Sub-division office at Tezpur-Rly.
The petitioner thought that he could
get the copy ~~at that~~ from the Sub-division
office, as he had already applied for it.
At the end, he was not able to get the office
personally for quite a long time. After a long time,
when he went to Sub-division office,
he was informed that his copy application
was not sent to that office from the District
office. After much correspondence, he
again applied for the copy in the Sub-division
office. He has appealed after the receipt
of the copy. For the above reasons he
was unable to prefer the appeal in time.
The petitioner solemnly affirms that
the statements above are true to the
best of his knowledge.

the three years, viz. 1891, 1892 and 1893 during

which the appellant was out of possession which was

as follows ——

1890-91 Viz. Rs 130-10-9 and ½ — 19-8 in of paddy with the palel

1891-92 Viz. 25 bundles of paddy with the Makhandar

1892-93 Viz. 25 bundles of paddy in kepari with the cultivator

5. The appellant claimed produce for the half year Vijaya as the money was produced on 15th June 1893. The produce for the year is not divisible as claimed by the appellant. The cultivation season begins only in June, and the rent is payable at the end of the year.

6. Under the above circumstances I thought it fair to both parties, to direct that the appellant should be declared entitled to the 3 years produce as found by the Amildar, and that the Makhandar should be at once placed in possession of the lands.

7. The appellant's statement made in para 1 of the appeal petition, to the effect that I disallowed half year's profits for Jaya is a mistake. He probably means Vijaya, and the reason for not allowing him produce for half of that year is given in the judgement. The Hindu year commences

commenced in the middle of March and the fee was paid into Government Treasury on 5th June.

So that even if the Respondent entitled to any refund for a portion of the year, the period would only be about 2½ months.

8. The land was taken away from the Appellant under the order of the Assistant Commissioner and the reduced rate realized from the cultivation has been paid to the Appellant. As the petitioner is not responsible for this deprivation as he was not placed in possession of the lands, and as the Appellant has failed to prove that, but for the petitioners negligence a larger rent would have been realized, the proceedings appealed against are to be corrected.

9. The judgement of the Moonsiff and Sadhar are not sustainable in evidence, in this case and can be reversed by Appellate.

To

The Secretary

Sir,

I am submitting herewith my application for the post of Lecturer in Physics. I have completed my M.Sc. degree in Physics from the University of Madras in 1994 with first class. I have also qualified in the National Eligibility Test conducted by the University Grants Commission in December 1995.

I am interested in teaching and research in Physics. I have a keen interest in the subject and have been teaching it to undergraduate students for the past two years. I am confident that I can contribute to the growth of your institution.

I request you to consider my application favourably and give me an opportunity to serve your institution.

Thanking you,

Yours faithfully,

Shah son of Pachchamiah should redeem the mortgaged property, as the samanads treated the Inam as personal or the same should be resumed and fully assessed (Vide Government decision dated 15th December 1892) The said Abdulla Shah produced mortgage money before the Deputy Commissioner on the 15th June 1893, but the same was held in deposit in the District Treasury pending disposal of a petition addressed to this office by Annaiya claiming the produce of the Inam land for a period of 3½ years prior to the date of the deposit of the mortgage amount.

2. The Deputy Commissioner decided by an order dated 26th April 1894 that Annaiya was entitled to 3 years' produce but the latter not being satisfied with this decision, preferred an appeal to Government without applying for payment of the amount (Rs. 1500) in deposit and his appeal seems to have been rejected by Government. Meanwhile the deposit having become 3 years old, the same lapsed and the amount, viz. Rs. 1500/- was credited to Government under

the head "unclaimed deposit of 19 Miscellaneous" on the 30th June 1896. Annaiya has since applied for payment of the amount and hence the submission of this refund bill.

3. The entire correspondence bearing on the subject is herewith submitted for reference and return.
